ORDER CONSOLIDATING SEMI-ANNUAL REPORTS

(Issued April 19, 2019)

On August 9, 2013, the Utilities Board (Board) issued an “Order Approving Settlement and Requiring Reports” in Docket No. RPU-2013-0003 requiring MidAmerican Energy Company (MidAmerican) to file semi-annual reports with the Board concerning the construction and operation of MidAmerican’s Wind VIII facility, until that facility’s assets could be included in MidAmerican’s rate base. As MidAmerican brought on additional facilities, the Board continued the practice of requiring semi-annual reports to be filed for MidAmerican’s Wind IX, Wind X, Wind XI, and Wind XII projects, which are docketed as, RPU-2014-0002, RPU-2015-0002, RPU-2016-0001, and RPU-2018-0003, respectively.

The Board still considers the filing of the reports that describe MidAmerican’s activities regarding each of the wind projects to be necessary. However, repeat filings for each individual docket is not efficient or necessary. In order to consolidate the required information and streamline reporting requirements, the Board will require

DOCKET NOS. RPU-2018-0003, RPU-2016-0001, RPU-2015-0002, RPU-2014-0002, RPU-2013-0003

MidAmerican's semi-annual filings for Wind VIII, Wind IX, Wind X, Wind XI, and Wind XII projects to be filed in only the most recent project, Wind XII, Docket No. RPU-2018-0003. This will continue to give the Board information regarding the operation of MidAmerican's wind projects while reducing the number of required filings.

IT IS THEREFORE ORDERED:

1. MidAmerican Energy Company shall continue filing semi-annual reports concerning operation of its Wind VIII, Wind IX, Wind X, Wind XI, and Wind XII projects until those facilities' assets can be included in its rate base.

2. All future semi-annual reports concerning MidAmerican Energy Company's Wind VIII, Wind IX, Wind X, Wind XI, and Wind XII projects shall be filed in Docket No. RPU-2018-0003.
