SUBJECT: Objection to Bifurcation of Rock Island Clean Line, Cedar Co. Docket #E - 22137

I am writing (again) to officially notify you that I "continue to object" to the Rock Island Clean Line, Cedar Co. Docket #E - 22137.

You've already denied them two times, and nothing has changed! I'm writing to ask that they be denied once again! They haven't proven a need and have less than 15% voluntary land easements! They should NOT be granted eminent domain privileges!! There is NO NEED for this line across Iowa!

PLEASE DENY THIS BIFURCATION PROCESS AGAIN!!

Thank you listening and for your time!

Sincerely,

Mary C. Butterbrodt
