ORDER RESCHEDULING TECHNICAL CONFERENCE AND COMMENT DEADLINE

On February 19, 2024, the Utilities Board (Board) issued an order scheduling a technical conference in the above-captioned docket for 9 a.m. April 9, 2024. The Board also set April 9, 2024, as the deadline for the submission of written comments concerning the draft regulatory analysis and the proposed version of chapter 11 to be re-promulgated.

Due to delays, the Board does not anticipate the draft regulatory analysis will be published in the Iowa Administrative Bulletin until April 3, 2024. Consequently, the Board will reschedule the technical conference to 2 p.m. April 29, 2024, and will further set the written comment deadline to April 29, 2024.

IT IS THEREFORE ORDERED:

1. The technical conference previously scheduled for 9 a.m. April 9, 2024, is rescheduled for 2 p.m. April 29, 2024, in the Utilities Board hearing room, located at 1375 East Court Avenue, Des Moines, Iowa. Interested persons may appear in person or by webinar. Information for attending by webinar can be found on the Utilities Board's website on the Hearing and Meeting Calendar page.
