ORDER RESCHEDULING TECHNICAL CONFERENCE AND COMMENT DEADLINE

On February 21, 2024, the Utilities Board (Board) issued an order scheduling a technical conference in the above-captioned docket for 10 a.m. April 10, 2024. The Board also set April 10, 2024, as the deadline for the submission of written comments concerning the draft regulatory analysis and the proposed version of chapter 21 to be re-promulgated.

Due to delays, the Board does not anticipate the draft regulatory analysis will be published in the Iowa Administrative Bulletin until April 3, 2024. Consequently, the Board will reschedule the technical conference to 2 p.m. April 30, 2024, and will further set the written comment deadline to April 30, 2024.

IT IS THEREFORE ORDERED:

1. The technical conference previously scheduled for 10 a.m. April 10, 2024, is rescheduled for 2 p.m. April 30, 2024, in the Utilities Board hearing room, located at 1375 East. Court Avenue, Des Moines, Iowa. Interested persons may appear in person
