### ORDER ADDRESSING TECHNICAL CONFERENCES

On April 3, 2024, the Utilities Board (Board) issued orders scheduling technical conferences in Docket Nos. RMU-2023-0009 and RMU-2023-0010. Chapter 9 included a technical conference scheduled for 2 p.m. May 7, 2024; however, the Draft Regulatory Analysis included with the order scheduled the technical conference for 9 a.m. that same day. The Draft Regulatory Analysis has since been published in the Iowa Administrative Bulletin (IAB) and the 9 a.m. time was used for the publication.

Due to the published time in the IAB, the Board will hold the technical conference for Docket No. RMU-2023-0009 at 9 a.m. May 7, 2024. The technical conference for Docket No. RMU-2023-0010 will begin following the end of the technical conference for Docket No. RMU-2023-0009.
