 Rock Island Clean Line's Motion to Establish Procedural Schedule

Dear Executive Secretary:

Enclosed for filing in each of the above Dockets on behalf of Rock Island Clean Line LLC is a Motion to Establish Procedural Schedule. Although all sixteen Docket numbers are listed in this cover letter and in the caption to the enclosed pleading, the Petitioner will be submitting the same documents in each of the sixteen separate Dockets.

The procedural schedule requested in the Motion contemplates an Official Notice as required by 199 IAC 11.2(1)"e" being issued sometime after the staff review of the Petition documents is complete and prior to the hearing in the first phase of the proceeding. As referenced in footnote 4 of the Motion, it may be necessary for the Board to waive the requirements of Board rule 199 IAC 11.2(1)"e" prior to issuance of the Official Notice, as the Exhibit E documents will not be in final form at that point in time. A subsequent waiver request will be submitted following the Board's ruling on the instant motion or the Board may elect to grant such a waiver on its own motion if deemed necessary at this time.

As noted in the Certificate of Service, we are submitting this pleading in the Board's electronic filing system (EFS) and all those participating in this proceeding through EFS will be automatically served with a notice of the filing. Such service is assumed to be proper based on the Board's prior Order issued herein on December 16, 2014. Please contact us if you have questions or comments concerning the file materials.

Very truly yours,

SULLIVAN & WARD, P.C.
