Cedar Co Docket #E22137

To whom this may concern:

Stop RICL – The state of Iowa will not benefit from RICL.
Iowans should not be forced into giving up their land to a private
Company that has a business plan to make money.
Iowans have put their heart and soul into their land.
Do not allow this to happen – RICL should not be granted the use
of Eminent Domain – It is time to tell them NO.
Just listen to the people of Iowa.

Thank you for your time,
Beverly M Green – Bennett IA – Cedar Co
