IOWA UTILITIES BOARD

IN RE:
SECURUS TECHNOLOGIES, LLC

DOCKET NO. TF-2019-0033
**MOTION FOR ADDITIONAL TIME TO
FILE REVISIONS TO TARIFF**
Expedited Relief Requested

In its November 13, 2020, Order Requiring Filing of Revisions to Revised Tariff and Granting Confidential Treatment, the Board gave Securus Technologies, LLC (“Securus”) 30 days, effectively until Monday, December 14, 2020, to file a revised tariff and until December 31, 2020, to file revised rates at certain correctional facilities listed in Ordering Clause 2. Securus represents that it continues to await return of an executed amendment from one facility, and that it would make more sense to make all filings at once so the contracts and tariff pages match up without further amendment. More importantly, in light of the issues raised in this docket and in the industry more broadly, Securus is reviewing its refund policies on a corporate level. This requires a more holistic look and review of what all states where Securus operates require. Securus believes the result of this process will be both clearer in its terms and beneficial to customers. This review, however, will not be completed by December 14. Between the outstanding contract, the review of refund policies, the holidays and other work obligations of in-house and outside counsel, Securus respectfully **requests an extension to January 29** to file its revised tariff. Particularly as the Board issued several orders today to other ICS companies requiring revised tariffs in mid-January, the requested extension will not materially delay the Board’s broader resolution of the ICS matters pending.

Respectfully submitted this 11th day of December, 2020.
