IN RE: SECURUS TECHNOLOGIES, LLC	DOCKET NO. TF-2019-0033
---	-------------------------

ORDER GRANTING ADDITIONAL TIME TO FILE REVISED TARIFF

On November 13, 2020, the Utilities Board (Board) issued an Order Requiring Revisions to Revised Tariff and Granting Confidential Treatment that directed Securus Technologies, LLC (Securus), to file revisions to its revised tariff within 30 days. The revisions were to be filed on or before December 14, 2020.

On December 11, 2020, Securus filed with the Board a motion for additional time to file revisions to its revised tariff. Securus' motion asserts that it is waiting the return of an executed amendment from one facility and would prefer to make all filings at once so the contracts and tariff pages align without further amendment. Securus' motion also states that it is reviewing its refund policies and believes this review will result in a refund policy that is more beneficial to customers and has clearer terms. Securus asserts that this review would not be completed by December 14, 2020.

Securus requests an extension to file its revisions, proposing a date of January 29, 2021. Securus contends that since the Board issued several orders on December 11, 2020, to other inmate calling service providers, granting the requested extension would not materially delay the Board's resolution of these matters. The Board will grant
