RE: HLP-2021-0001 - Summit Carbon Solutions, LLC

Dear Mr. Dublinske:

On August 11, 2021, Summit Carbon Solutions, LLC (Summit Carbon), filed a request with the Utilities Board (IUB) to hold public informational meetings on its proposed carbon capture and storage project. The request included:

- County identification;
- Proposed informational meeting dates, with time and place;
- A proposed notice letter;
- A proposed publication notice;
- A sample statement of damage claims; and
- Overview maps showing the proposed route of the pipeline through the first 13 counties in which informational meetings were requested. (the remaining 17 county maps will be filed in the docket as soon as practical)

Summit Carbon shall conduct the informational meetings in compliance with the requirements of 199 IAC 13.3 and provide sufficient audiovisual equipment for the expected audience, should all affected landowners who are notified attend. Summit Carbon shall file in this docket a draft of its informational meeting presentation by September 1, 2021.

Sincerely,

Gerri Huser Date: 2021.08.12
