**Re: In re Dakota Access, LLC, Docket HLP-2014-0001
Cambridge Pump Station Improvements:
Construction Progress Report No. 4**

Dear Executive Secretary:

The Board's May 8, 2020 "Order Issuing Amended Permit and Granting Extension" requires Dakota Access, LLC ("Dakota Access") to provide monthly construction progress reports in connection with the construction of the Cambridge Pump Station improvements. Below please find the fourth such report:

The new surge tank is complete and has been placed into service. Foundations for the new pipe supports are also complete. Piping fabrication for three of the five mainline pumps is complete, with piping fabrication and installation for the fourth and fifth mainline pumps remaining. Electrical work is approximately 90% complete.

Should you have any questions, please feel free to contact me.

Respectfully,

/s/ Brant M. Leonard
