Dear Executive Secretary:

On August 25, 2021, the Iowa Utilities Board issued an Order Setting Workshop Agenda in the above-referenced docket. Ordering Clause No. 3 directed Iowa transmission owners to file a list of participants who will be present at the Workshop. Interstate Power and Light Company (IPL) is not a transmission owner but receives transmission service from its transmission provider and intends to attend the Workshop. Accordingly, IPL provides the following list of representatives who intend to attend the August 30, 2021 Workshop:

1. May Farlinger, Director of IPL Operations – East Region
2. Andrew Cardon, Managing Corporate Counsel
3. Mitch Myhre, Manager of Transmission Planning and Regulatory Relations (via Webinar)
4. Ron Hellweg, Manager of Regulatory Relations & Policy

Sincerely,
