RE: HLP-2021- 0003 (Navigator CO2 Ventures LLC, Petition for a Hazardous Liquid Pipeline Permit)

Iowa Utilities Board:

On this day December 28, 2021, the Dickinson County Board of Supervisors passed a unanimous motion to submit official comment/objection for the docket regarding the Navigator CO2 pipeline. The pipeline is tentatively planned to go through a part of Dickinson County. Representing the Dickinson County landowners and as Trustees of the Dickinson County Drainage Districts, we are requesting the Iowa Utilities Board to deny the use of Eminent Domain for Navigator and other CO2 pipelines. We feel it is important keep control of Dickinson County land in the owner's possession.

Sincerely,

A blacked-out redacted signature.
