Iowa Utilities Board,

On this day, January 3<sup>rd</sup>, 2022 the Franklin County Board of Supervisors passed a unanimous motion to submit official comment for the docket regarding the Summit & Navigator CO2 pipeline. Both pipelines are tentatively planned to go through Franklin County. Representing the Franklin County landowners, we are requesting the Iowa Utilities Board to deny the use of Eminent Domain for Summit, Navigator, and other CO2 pipelines. We feel is important to keep the control of Franklin County land in the owner's possession.

Sincerely,

  
Mike Nolte, Franklin County Board of Supervisors

  
Gary McVicker, Franklin County Board of Supervisors
