**Re: In re Dakota Access, LLC, Docket HLP-2014-0001
Cambridge Pump Station Improvements:
Construction Progress Report No. 7**

Dear Executive Secretary:

The Board's May 8, 2020 "Order Issuing Amended Permit and Granting Extension" requires Dakota Access, LLC ("Dakota Access") to provide monthly construction progress reports in connection with the construction of the Cambridge Pump Station improvements. Below please find the seventh such report:

There have not been substantial changes since the last construction report was filed with the Board. There is minimal work on the fourth and fifth mainline pumps remaining. Dakota Access will file a new construction progress report when that work is completed.

Should you have any questions, please feel free to contact me.

Respectfully,

/s/ Brant M. Leonard
