RE: Interstate Power and Light Company
Docket No. SPU-2021-0015
Extension of Time Request

Dear Executive Secretary:

Interstate Power and Light Company (IPL) respectfully requests an extension until February 7, 2022, to file its response to the Iowa Utilities Board Staff's (Board Staff's) Correspondence dated January 24, 2022. Given the limited amount of time provided for the responsive filings and the need to coordinate with Preston Municipal Utilities (PMU) to accurately respond, IPL believes that an extension of one week is appropriate.

The Board Staff's questions have identified points for further discussion between IPL and PMU. IPL believes that providing an extension until February 7, 2022 will benefit this proceeding by providing IPL and PMU an appropriate opportunity to confer before responding.

Sincerely,

/s/ Andrew D. Cardon
