Re: MidAmerican Energy Company – EEP-2018-0002 2021 Annual Report Filing
submitted on April 27, 2022

Dear Iowa Utilities Board,

On April 27, 2022, MidAmerican Energy Company (MidAmerican) submitted its 2021 annual report filing pursuant to the Board's Final Order issued on February 18, 2019. The filing included Exhibit G – Plan to Actual Measure Comparison.

It has been discovered that Planned Total kWh and Planned Total Therms in Exhibit G – Plan to Actual Measure Comparison did not equal Budget kWh and Budget Annual Therms for some programs as listed in Exhibit B – Plan v Actual Variances by Program.

MidAmerican submits this filing to correct the error. Please find attached a revised Exhibit G.

Please contact me at 515-281-2376 if there are any questions. Thank you.

Sincerely,

/s/ Andrew L. Magner
