Re: HLP-2021-0001, Summit Carbon Solutions LLC, Petition for a Hazardous Liquid Pipeline Permit, Use of Eminent Domain

Dear Iowa Utilities Board:

The Mills County Board of Supervisors today passed a unanimous motion to submit an official comment/objection regarding the Summit Carbon Pipeline. This Board believes that eminent domain should not be granted in this case and therefore the permit denied. This is not a necessary pipeline and is being proposed by a private for-profit company to fuel their profits. The landowners should have the right to decide if they want the carbon pipeline on their property.

Sincerely,

Mills County Board of Supervisors
