Re: Docket No. HLP-2022-0002  
Corrected Chart for Informational Meeting Dates

Dear Records Center:

On July 8, 2022, Wolf Carbon Solutions US, LLC ("Wolf") filed an updated request for dates for informational meetings. Included was a chart with dates, locations, and times for the meetings as proposed by Wolf. It had been determined that the time for the Cedar County meeting will need to be moved to the evening since the location is a school and the school will be in session by that date. Wolf is therefore proposing to keep the same dates, but move the Johnson County meeting in North Liberty to noon on the 29th of August and move the Cedar County meeting to 6:00 p.m. on the 29th. An updated chart is being submitted with this letter.

As previously noted, in order to allow adequate time for the notice to be prepared and mailed on July 18, 2022, Wolf respectfully requests that the Board issue the meeting dates as soon as possible.

Respectfully,

/s/ Amanda James
