### **Objection to be filed in Docket Nos.:**

- HLP-2022-0002 (*Wolf Carbon Solutions US LLC*; Hazardous Liquid Pipeline)

I highly object to this hazardous pipeline being brought to our homes, schools and communities. I live in the area this pipeline is planned and my family attends the schools it will be adjacent. This is going to ruin the Iowa farmland and harm the inhabitants. The thought of this even being considered is ludicrous and my neighbors are of the same opinion. Stop this nonsense and protect the land, people and animals from this hazardous pipeline. The meeting to discuss this needs to happen at a time more conducive to the majority or hold more than meeting at noon and one in the evening.
