Re: Docket No. HLP-2021-0003
Compliance with Board Rule 13.2

Dear Mr. Vander Streek:

In compliance with Board Rule 13.2 and the letter dated June 28, 2022, Navigator Heartland Greenway LLC ("Navigator") is filing the following documents:

- The final list of informational meeting locations;
- The informational meeting presentation; and
- The affidavit required by Board Rule 13.2(5)(d).

On June 23, 2022 Navigator filed individual county maps, the letter to landowners (with attachments), and newspaper notice. Navigator anticipates that the presenters at the informational meetings include those listed below, while other members of the Navigator team, including our right-of-way team, will also be in attendance:

- | | |
|---|---|
| • Danielle Anderson, Manager, Public Affairs | • Nick Kubala, Director, Engineering |
| • Chris Brown, Vice President, Capital Projects | • Stephen Lee, Executive Vice President, Engineering and Construction |
| • Elizabeth Burns-Thompson, Vice President, Government and Public Affairs | • Eric Leigh, Executive Director, Carbon Supply and Markets |
| • Monica Howard, Senior Director, Environmental and Regulatory | • Brandi Naughton, Manager, Environmental and Regulatory |
| • Jordan Jones, Director, Business Development | |

With respect to the Board's requirement that Navigator print maps for "parcels upon which the pipeline is currently anticipated to be located," because at this time the pipeline's location may be anywhere within the notice corridor, Navigator will bring pre-printed maps showing the relation of each parcel within the notice corridor to the centerline of the corridor. Navigator will provide those maps to any corridor landowner or person in possession in attendance who requests the map. Per the Board's direction, Navigator will bring equipment to print additional parcel maps for landowners or persons in possession within the notice corridor who attend the meeting and request their respective parcel map(s), in the event not enough printed copies were prepared in advance.

Finally, Navigtor will file the proofs of publication per the Board's direction in the June 28, 2022 letter. Please contact me with any questions.

Sincerely,

/s/ Samantha C. Norris
