RE: HLP-2021-0001 (Summit Carbon Solutions LLC, Petition for a Hazardous Liquid Pipeline Permit)

Iowa Utilities Board:

On this day May 9, 2022, the City of Terril passed a unanimous motion to submit comment and our objection for the docket regarding the Summit CO2 pipeline. This pipeline is tentatively planned to go very near Terril. As a city we are very concerned for the health and welfare of our citizens. Therefore, we ask the Iowa Utilities Board to deny the permit for this pipeline.
