Re: Docket No. HLP-2021-003

The Jefferson County Board of Supervisors objects to Navigator Heartland Greenway LLC's plans to build and operate a carbon dioxide pipeline that will run through Jefferson County. We urge the Iowa Utilities Board to deny a permit for this project or any similar project.

We are against using eminent domain since this is not a public utility.

We urge the IUB to deny the permit application that has been filed by Navigator Heartland Greenway LLC for this pipeline and prohibit it from utilizing eminent domain in pursuit of such private enterprises.
